# THE ROOTE BRAND

## EMBLEMATIC LOGO

The ROOTE logo represents the crossroads of multimodal information between operators and mobility users. As a mobility hub, the four loops are comparable to the four pillars of MaaS 'Mobility as a Service' representing information identification, reservation, payment and multimodal journey. The infinite sign is the perpetual renewal of information in real time.

## INPI. (N°4475111)

Work on ROOTE and its operation is recorded at the INPI. The brand, logos and creations are the subject of the registration N°4475111. In accordance with the laws in force, the fraudulent use of the brand with the intention of deceiving the user will systematically be the subject of a complaint.
